## SCHOOL SAFETY

Parents, just a reminder that the front of the school building

has **No Parking** and **No Stopping** signs. Several students cross at the crosswalk, and we are having parents/guardians stopping their cars, making and creating an unsafe environment for our students. This is a safety concern for our students. **\*\*Vehicular traffic in School bus loading zones is prohibited.**

Please take every possible opportunity to show appreciation and respect for the service that school bus drivers provide. Your support is appreciated. Thank you for keeping the safety of our students a priority.

## BOUNDARY REVIEW FOR COLLEGIATE ELEMENTARY

Go to <https://hwdsb.info/boundaryreview> for more information on the Stoney Creek Boundary Review and give your input on the 4 suggestions! The Public Meeting will be held on **Tuesday, November 19<sup>th</sup> at 6:00 pm at Orchard Park Secondary School**. All our Collegiate Community is invited to be part of the discussion.

In the fall of 2024, East Hamilton/Lower Stoney Creek boundaries will be reviewed in accordance with the 2024-2025 Accommodation Strategy Schedule. This review will consider Eastdale's boundaries in association with boundaries at Collegiate, Lake Avenue, South Meadow and Winona elementary schools.

[A boundary review](#) is a public review process undertaken to create or modify the boundary of one or more schools. A boundary may require modification due to new school construction, balancing enrolments and/or program changes.

The East Hamilton/Lower Stoney Creek Boundary Review was first announced at the [May 21 Finance and Facilities Meeting](#). The Board of Trustees approved it to move forward in the fall at their June 10th Board Meeting.

Due to accommodation pressures at Eastdale resulting from continued growth in English and French programs, this boundary review aims to better balance enrolments at local schools and reduce reliance on temporary accommodation. Here are some questions that staff will consider during this East Hamilton/Lower Stoney Creek Boundary Review:

### Online Feedback

- Community members can provide feedback online by visiting <https://hwdsb.info/boundaryreview>
- Can review all presentations, minutes and boundary review documents
- Can provide public comments on maps
- Can contact board directly through private messages

## INDOOR SHOES

As the weather begins to change, we ask that all students bring a pair of indoor shoes that will be used throughout the school to keep the messy weather outside. We need to work together to keep our classroom carpets clean and in good condition so our children do not sit on wet, muddy carpets. We thank you for your support!

## CLASSROOM KLEENEX BOXES

As we continue with allergy season and move into cold and flu season, we would appreciate if all students could bring in a box of Kleenex to add to our classroom supply! Tissues are in great demand at school and we appreciate your support. Let's reduce the spread of germs and always use a tissue when needed. Thank you!

## MEDICATION AT SCHOOL

If a student requires medication to be administered at school, forms must be obtained from the office and completed by the child's physician. All medication will be kept at the office. Epi-Pens must be carried in a pouch by the student at all times, or a plan needs to be developed between home and school.

## Snow-clearing at HWDSB Schools

A responsibility shared by Board staff, contractors and the City of Hamilton

### HWDSB Staff

*Clear, salt and/or sand...*

- walkways from the city sidewalk to the school
- school steps and portable steps
- walkways to the portables
- ramps to schools and portables
- area outside entrances and Fire Exit Doors
- Fire Exit stairs & ramps

### HWDSB Contractors

*After 5cm+ of snow, will...*

- Plow parking lots and sidewalks when HWDSB Facilities staff deem it necessary
- Salt and sand the parking lot before school starts
- If required, Head Caretakers may also salt or sand parts of the parking lot

### City of Hamilton

*Responsible for clearing...*

- Snow and ice from sidewalks directly in front of schools, a top priority for the City.
- **Note:** It may take up to 24 hours after a snowfall for sidewalks to be cleared. Report a sidewalk fronting a school in need of clearing at **905-546-CITY (2489)**

## What about playgrounds?

Playgrounds **are not** plowed or cleared. Head Caretakers inspect playgrounds and sand and/or salt areas made slippery by changing temperatures.

Students, take extra caution when walking or playing on school property that may be slippery. Principals concerned about weather or playground conditions may hold indoor recesses and lunch/nutrition breaks.

## Benefits of outdoor play

Time spent outdoors is an integral part of the school day. There are great benefits when children experience **fresh air, exercise and time spent time outside**. Outdoor play is also a break from the structure of the classroom.

## Preparing for the outdoors

It's important that children come to school **prepared for the cold**. This means boots, mittens/gloves, hats and even extra mittens and socks in case they are needed.

## When is it too cold for outdoor play?

Principals decide whether to send students outside for recess. HWDSB asks Principals to follow the City of Hamilton guideline that we stay inside when it's at or **below -15C, or -20C with wind chill**.

*below -15C,  
or -20C with  
wind chill*
