DVSS Grade 12 Student
Information

Mrs.
Indelicato

**Information the
office needs!
Please complete this
survey now!
The link was also
emailed to you this
morning.**

MEDIA CONSENT

Yes, I agree and give my permission for the disclosure of my child's personal information in the forms described (e.g., photos/video/audio recordings of my child, name, written/creative work, social media/website/news media posts) as they participate in a modern learning environment under the guidance of their classroom teacher, and for sharing and celebrating their creative and academic accomplishments by school/board staff and local news media. I understand that once posted online, the student information may appear in other publications outside of HWDSB's control.

Mrs. Indelicato

1. OCAS/OUAC - it's your job to check to ensure your marks are correct; Mrs. Indelicato can fix them if there is an error... email her!

2. Email communication - read your emails each day

3. Students graduating in January - grad

packages will be ready in August

4. Transcripts and Enrollment letters for post-secondary schools - email Mrs. Indelicato your request: it takes 24 hours

5. Final marks coming from outside our board - you need to report them to us

WILL YOU BE APPLYING FOR OSAP TO SUPPORT YOUR POST-SECONDARY PLANS? YES: NO:

IS THERE ANYTHING ELSE WE SHOULD KNOW?

How do I find out about other awards/scholarships?

The Scholarship Report
SEPTEMBER 2023
for Ontario high school students

FIVE WAYS TO STRENGTHEN YOUR SCHOLARSHIP APPLICATION

INSIDE THIS ISSUE

- Five Ways to Strengthen Your Scholarship Application
- Postsecondary Events
- September-October Checklist for Senior Students
- Ways to Pay for School
- Career Information Resources
- Postsecondary Education Resource List
- Applying to College and

Welcome back students! Your senior year is a busy one. Starting off your school year with intention will be of great benefit to you. Let's start by looking at the costs of postsecondary education.

According to [Statistics Canada](#), the average tuition fee for a full year of study was \$6,834 in 2022/2023. The average cost of [college tuition](#) for one academic year in a diploma program is \$2,400 while bachelor's degree programs cost approximately \$6,100. (Do keep in mind that tuition varies by program and province.) There are also other expenses to consider such as fees, textbooks, equipment, and supplies; residence + meal plan; and miscellaneous items, e.g., cell phone, clothing, recreation, transportation, etc.

Scholarships, bursaries, and awards can help to offset some of the costs of post-secondary education. Here are FIVE ways to increase your chances of receiving a scholarship, bursary, or award.

1. SKILLED TRADES ONTARIO:

Among Ontario's many occupations and career paths, the government has designated trades with [apprenticeship programs](#). These recognized trades offer career opportunities in the province within key industries to include mechanical, electrical, automotive manufacturing, building and service.

Trades in Ontario have different requirements depending on whether they are [compulsory trades](#) or [non-compulsory trades](#) and in trades with exams, you can earn a Certificate of Qualification. Certificates of Qualification are valued by employers and for some trades to get a Red Seal endorsement. The [Red Seal Program](#) is a national program that sets standards to assess the skills of tradespeople across Canada. The Red Seal endorsement instills pride in skilled workers, and facilitates labour mobility.

[Find more detailed information](#) on trades that interest you.

INSIDE THIS ISSUE

6 BENEFITS OF WORKING
IN THE SKILLED TRADES

DEFINITIONS

EXPLORE TRADES IN HIGH
SCHOOL

FINANCIAL SUPPORT FOR
APPRENTICES

TRADES FROM THE FOUR
TRADES SECTORS

Skilled trade: a career path that requires hands-on work and specialty knowledge.

The demand for skilled trades is high. There are real advantages to pursuing a skilled trade. Here are six reasons why pursuing a skilled trade is worth considering:

1 The trades industry provides job security.

Skilled trades will always be in demand because these are jobs that maintain the infrastructure in our communities. These occupations provide essential services to our lives — from “building homes to manufacturing products, to servicing automobiles to preparing food.” It is estimated that by 2025, [40% of all occupations](#) will be in skilled trades. Many tradespeople today will be retiring in the next ten years leading to a shortage of skilled employees.

2 Skilled trades careers have great earning potential.

Individuals with certificates in Red Seal trades earn on average [\\$64,000](#) in their first
