

Beautiful Alleys is a volunteer led community program that promotes our City and the environment. We are dedicated to removing the litter and illegal dumping that clutters our laneways, parks and greenspaces.

We organize two city wide cleanups twice a year since 2012 and encourage regular stewardship and maintenance of our public spaces.

You can join our efforts by contacting us at hamiltonalleys@gmail.com or visit our Facebook page [Beautiful Alleys | Facebook](#) and our website www.beautifulalleys.ca
