Halloween/Black & Orange Day

With Halloween/Black & Orange Day fast approaching, and we have some information to share with students and families to ensure everyone has a fun, safe, and exciting day!

- Students who wish to wear a costume should **come to school dressed in their costume** on the morning of Thursday, Oct. 31st.
- If makeup is part of their costume, it is suggested that it be applied in the morning before school. **Masks should not hinder vision** and will only be **worn during the parade**.
- **No weapons or replicas** of any kind are to be sent to school (toy knives, guns, swords, etc.)
- We ask that families not send students in costumes that may scare our younger students. We want this to be a fun day for everyone!
- **We will have a parade which will begin at approx. 1:45 p.m.** Weather permitting, we will parade across the blacktop area. In the case of inclement weather, we will parade through the gymnasium.
- Family members are welcome to join us for the parade and are asked to **go around the outside of the building to meet us all out back** (vs. through the school). There will be a perimeter set up for families to stand to view all of the students in the parade.
- For safety Reasons we ask that **no photos are taken during the parade** to ensure those without a media consent are not mistakenly captured by other families.
