

# Give students the opportunity to get a job in the election.

## What is it?

During the month of March, we are inviting Ontario secondary school students to apply for an Information Assistant position in the 2022 Ontario general election. The Information Assistant's role is to help electors at advance voting locations and/or on election day. Our aim is to provide students with the following benefits:

### Get involved

Work at a polling station during advance voting or on election day.

### Get experience

Learn how the election process works and gain new skills to add to their resume.

### Get paid

Students earn while they learn and gain an appreciation for elections.

---

## How can I help?

Help us raise awareness and direct students to apply for the Information Assistant position through the following, ready-to-deploy materials:

### Mass communications

Templated communications for your email and morning announcements.

### Posters

Printed 11"x17" posters to post around your school.

### Student council assets

Print-ready assets to host information drives and encourage peers to apply.

### Information cards

Printed 5"x7" cards for students to take.
