

WDHS Grade 9 Orientation Day

All incoming grade 9 students are invited to attend our summer orientation program. This welcome event will help students become more familiar with their new school and engage them in activities that focus on making connections with new classmates, senior student leaders, and WDHS staff. The agenda below outlines the activities for the day. Please note that there is no need to register for this event and that there is no cost to families. We hope all our new Waterdown Warriors will be able to join us!
