Dear Parents, Guardians and Caregivers,

As part of the Ancaster Accommodation Review, the Board of Trustees approved the closure of Fessenden and Queen's Rangers, pending Ministry of Education funding for two new JK-8 elementary schools on the CH Bray and Rousseau sites, as well as an addition at Ancaster Senior.

In March 2018, HWDSB received Ministry of Education funding for a new \$12.25 million, 495 pupil place, K-8 elementary school on the current C.H. Bray site. Construction of an elementary school usually takes 12-16 months.

I would like to update you on what is happening with the construction of the new school. The new school construction has recently received Site Plan Approval from the City of Hamilton. The next step in the process is to apply for the building permit before we can seek a company to build the school. We are still on track to secure a construction company for the build this spring.

I want to thank all students and families for their continued support. We will continue to update you as we move through the process towards construction.

If you have any questions, please do not hesitate to contact the school at 905.648.4353.

Sincerely,

Sean Malcolmson
Principal
