Highview Elementary School  
1040 Queensdale East  
Hamilton ON L8T 1J4

Michael Sokolowski:

Inspection and deficiencies of the ventilation systems for this site have all been repaired and/or completed. Units are all running according to the manufacturer's specifications, with the following exceptions below:

Exhaust Fans serving room 131 and room 224. Waiting on replacement fans.

MS - Air Purifiers  
brought into rooms  
131 and 224

Thank you,

Mike Cuffaro, President  
Moore Environmental Systems Limited
