# TURBO TECH

## SUMMER CAMP

**100% FREE!**

Grades 5-9

August 12-16,  
2024 (tentative)

Hamilton (exact  
location TBD)

*5 exciting days of STEM & coding  
workshops and automotive innovation!*

Your child will learn to code, explore hands-on automotive tech to ignite a passion in STEM, learn coding's real-world applications like simulating autonomous driving, gain insights from a GM Canada Engineer, and embark on an exclusive field trip to McMaster Automotive Resource Center for cutting-edge tech experiences.
